Visit Report for the month of June to Dec, 2016

I have honor to submit the visit report of month of June 2016 to Dec 2016 . it has been proven that people working in marble factories are most likely to affected in silicosis disease, I have to visited almost 38 factories in site police station, sher shah police station and Pak Colony Police Station in above said months, and I couldn't found any factory parse engaged in the process of cutting, crushing and polishing of stones in my area. I found many marble shops in Pak colony but I m not authorized as per factory act to visit the shops. 48 factory managers / occupier were not allowed to visit their factories, list are attached.

This is for your kind information and necessary action as per rules.
